# YEAR IN REVIEW 2023

Let's Celebrate What We've Accomplished Together!

## WE ARE CREATING THRIVING COMMUNITIES

### SVP Advocates for Families with County Policy

The Board of Supervisors **voted YES** on December 5th to include 2Gen as a cross-policy strategy. This is a direct result of SVP's engagement with and advocacy for the Pima County Prosperity Initiative, an intergovernmental effort to promote family well-being across Pima County. *This is a historic moment that will create the conditions for individual and community prosperity by focusing on effective strategies that provide opportunities for lower-income families to move out of poverty.*

**\$393K**

**Invested in Southern Arizona nonprofits (2Gen & Fast Pitch Nonprofits!)**

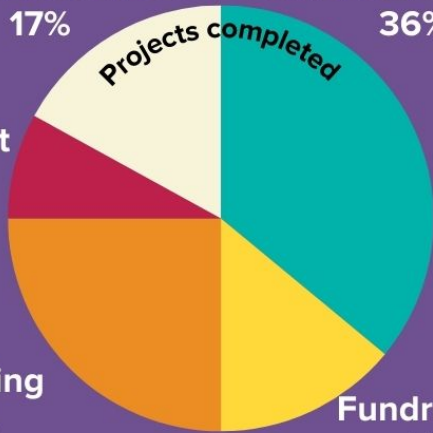

## We are building the capacity of vital nonprofits!

Human Resources 17%      Board Development 36%

Program Development 8%

Marketing 25%

Fundraising 14%

**157 Project Positions filled!**

## RESOURCES & SUPPORT FOR THE WHOLE FAMILY

“SVP’s 2Gen Collaboration impacts the lives of children and parents and is the only way we can change the cycle of poverty. That is what the 2Gen movement is all about,” CEO, 2 Gen Nonprofit Collaboration Agency.

## We Expanded from Five to Eight!

SVP Tucson’s 2Gen Collaboration is generously supported by the Connie Hillman Family Foundation. This year we added Parent Aid, Tucson Jewish Free Loan, and YWCA Southern Arizona to our 2Gen Nonprofit Collaboration.

We added organizations that served individuals based on the key components of two-generation (2Gen) approaches in the areas of: postsecondary & employment pathways; social capital; health including mental health, and economic assets.

## Families Coming Together Events: Increased Positive Connections and Community Support

SVP’s 2Gen Nonprofit Collaboration provided three community events this year offering resources, programs, support, and fun for local families.
